

SeeSaw Signing Class Description

SING AND SIGN LEVEL 1

Children of all ages love music, movement and fun! This interactive curriculum teaches parents, caregivers, and tots over 100 ASL signs using music, games and stories. Introducing ASL to a preverbal child provides an excellent bridge to verbal communication, and has been shown to reduce frustration and encourage fine motor skills. Sing and sign is the FUN way to learn!

SIGN AND SIGN LEVEL 2

This fun, interactive Parent/Tot class uses music, games and stories designed to teach parents and busy toddlers fun and creative signs needed to expand their baby's growing ASL vocabulary. Learn signs for colors, family, emotions, and nature and weather.

PARENT/CAREGIVER ASL WORKSHOP

This 2.5 hour, interactive workshop will teach parents and caregivers how American sign Language can enhance their child's language development and provide a bridge to verbal communication. Through videos, songs, handouts and discussions, participants receive the necessary tools to begin using many basic signs with their children. Based on the SIGN with your BABY® program, this fun and informative workshop will start you on an exciting, and engaging journey.
